There is a one time registration fee for children who are **NEW** to Discovery Center: Rp 500,000. Children who have attended DC preschool or previous summer camp in the past are exempt from this fee.

Summer camp differs from a regular term in some ways:

1. Enrollment can be weekly
2. We have an overall theme for the entire school (during a regular term the theme is different for each age group.)
3. Our activities take on more of a recreational theme, but the same skills taught in the regular term are being reinforced through both group and learning center time: social skills, language skills, gross motor skills, fine motor skills, creativity, logic, and cognition.
4. Our invoice for summer camp refers to these 8 weeks as “Term IV” because like Term I, Term II and Term III, the children will continue to grow and develop with activities planned to challenge them and stimulate their continued love of learning through discovery.

Discount of 5% will be given for all payments received by May 27
